SOURCE OF THE NAME

It seems safe to state that the various families listed herein, regardless of the method of spelling, had their origin in the ancient and honorable Irish families.

The name was originally O'DOGHERTY and has been changed into numerous variant spellings through transliteration of the original name Anglicized on a phonetic basis.

In "Irish Pedigrees" by John O'Hart will be found considerable material on the O'Dogherty family.

In the Atlas and Cyclopadia of Ireland, plate 4, No. 367, will be found a reproduction of the O'DOGHERTY Coat of Arms. Its motto "ARM FUTHURAS" is translated to mean "I hope for my Country".

FAMILY No. 1

(1) DAUGHNEY, born _____; DIED _____. At the present time nothing is known of this man, nor does the Compiler have any information bearing on the places where he was born, lived or died.

For the reason that early records of his son and grandsons spelled the name with an "eh" or "ee" preceding it, the Compiler believes the name was O'DAUGHNEY, which became ANDAUGHNEY under the very common method of that day of spelling names phonetically. If this deduction is correct there can be little doubt that earlier generations originated in Ireland in the O'DAUGHNEY family.

It is easy to understand this evolution in the spelling of surnames from a common origin, when we learn that descendants of the earliest ancestor now known have used different spellings of the name, although living descendants have been told by their parents of a change from the original spelling.

Such changes are frequently encountered in many families. They arise from various causes. Generally, there has been some official record such as a land grant, deed, indenture, or military record which altered the spelling, causing the family to adopt the changed spelling to conform to the official record.

Then, too, some member of the family may discover, after research into earlier records, the correct spelling and adopt it for his or her family, thus creating a variation from the spelling used by collateral kin.

Numbers 1 to 99 are reserved for use in probable earlier generations.

Thus we start our known record with No. 100 assigned to William DAUGHNEY.

(100) WILLIAM DAUGHNETTE, born _____; died _____ 1760. The first record of this man thus far discovered is where he appears in Frederick County, Virginia and acquires 100 acres of land under an indenture dated May 30, 1745. The land was by lease and release from Jacob Funk.

It seems important that certain of these identifying records be copied in full so as to establish certain facts of record. Therefore we insert a copy of the "Release". The "Lease" so closely corresponds to the "Release" that its inclusion is not deemed essential. It should be understood that Frederick County was in what was known as the Northern Neck of Virginia and included in the vast empire claimed by Lord Fairfax. It was not his custom to deed in fee simple, but to give "leases" and "releases" under which the other party to the transaction acquired a limited right in the land.

The lease generally preceded the release by one day. The descriptive recitals in both were either identical or substantially so. Therefore, it seems sufficient to give the citation referenced to the lease record, and to include a full copy of the more important releases. We have endeavored to follow their spelling; regardless of errors--phonetic or otherwise.

In 1739 a petition was filed by inhabitants of what was later Frederick Co., Va., asking the establishment of a new county, etc. It contained neither ADAUCHNETT, DAUCHNETT nor similar name, although several Funks signed. This may indicate that the DAUCHNETTS were not yet residents in that section. This list is printed in "The SMIGHT FAMILY", an interesting Genealogy.

WOOD

It is to be noted from the above document that (1) WILLIAM DAUGH-
HERTY'S name in the document is spelled DAUGHADAY.

2- That he was a resident of the Parish and County of Frederick at that time.

3- That he was a farmer. This implies he was farming prior to that date, and probably in that county.

Jacob Funk had released to William TIDWELL 100 acres of land, 4/17/1744, which was the land adjoining that of William Daughnotes. (Frederick Co., Va., Deed Book 1, pages 83 and 87).

The next record thus far found of William is dated April 3, 1753, Frederick County, Va., Order Book 4, page 453. This shows that Jarvis Dougharty, William Dougherty, Christopher Homes (Holmes?), and Joseph Homes were duly sworn and met to appraise the estate of Alexander Clement, deceased.

No report of the appraisal has been found of record.

January 3, 1758 William O'DOUGHERTY (as spelled in order book) with Chas. Buck, George Bowman and Isaac met to appraise the estate of Jacob Funk, deceased. (Frederick Co., Va., Order Book 7, page 345.)

April 6, 1758 William DOWADAY (as spelled in order book) filed a petition as plaintiff against James RAEY. William did not appear, so the case was dismissed. (Frederick Co., Va., Order Book 8, page 23.)

The next record we find of this William is where he acquired 100 acres from William French and wife Winnifred of Prince William Co., Va., September 4, 1759.

This land was located in Frederick County, Va., adjoining the land acquired by William Daughhatee. French had acquired it from Jacob Funk, Junior, who, in turn acquired it as an heir in the settlement of his father's estate. Only the release will be copied.

In the copied releases we have found William acquiring three pieces of land, and have found his name spelled differently in each of them: Doughaday, Adoughheteo, and Dougherty, respectively.

We have found no deed, lease, contract or other legal document of record and signed by this William, hence we have no way of knowing his personal way of spelling his name.

June 3, 1760 his widow appeared in court in Frederick County and prayed for letter of Administration to administer the estate of her late husband who died intestate. These were granted her and her sons Gervus (Jervis) and William signed as her securities. (Frederick County, Va., Order Book 9, Page 35.)

The same day the court appointed as appraisers of the estate: Charles Bush (Buch), George Brink (Bounds), Robert North and Leonard Hornsby. (Frederick Co., Va., Order Book 9, Page 35.)

A report of the appraisers was made August 3, 1760. A copy is included to indicate the number and nature of his personal property.

Thus far we have been unable to find any further report either on the sale of personal effects or on the distribution of the estate.

Dying intestate as he did his eldest son fell heir to his land as will be later disclosed. It may be that a further report on final distribution of the property may appear in the records of Dunmore-Frederick County. Their location in Frederick County was in that part which fell into Dunmore County when it was formed from Frederick County in 1772, and which was renamed Shenandoah County in 1773. These records have not been given a thorough search so far as order books are concerned.

The only record thus far found of William or his widow, Sarah, in Shenandoah Co., Va., follows:-

(101) MARY DAUGHMETEE, born _____; died A1735. We list Mary as a probable sister of (110) WILLIAM, and think it probable she was the Mary DAUGHMETEE named as the wife (second) of John FISHBACK in Prince William County, Va. The will was made March 11, 1735; proved March 19, 1734-5. (Prince William Co., Will Book C, page 23.)

This marriage is mentioned in the Fishback Genealogy (The Fishback Family, by Willis Miller Kemper, 1914.)

No effort will be made to list descendants from this wedding, as they are already covered fully by the above mentioned genealogy.

(110) JARVIS DAUGHNETER, born B1722; died 1814.

He was married at least twice:-

- I. Married ELIZABETH _____, before _____.
- II. " _____, _____.

He was the eldest son of (100) WILLIAM. From the fact that he gave bond, as shown below, in 1743 indicates he was over 21 at the time so his birth is shown as before 1722.

To make the record as comprehensible as possible we list such of the official records of Jarvis as seem essential.

Not only his family name subjected to variations in spelling, but his christian name appears spelled as Jarvis, Jorvis, Jervise, Jarvis, Gervas, Gervis, etc., etc. It is believed by the compiler that the proper spelling is Jarvis, and that the name probably came from some intermarriage between a Daughnetee male and Jarvis female. It is not impossible that the wife of (100) WILLIAM was named Jarvis. It also seems possible that Sarah may have been a second wife of (100) WILLIAM.

The first record thus far located on Jarvis Daughnetee was dated May 23, 1743. On that date Jarvis AIDOGGARTY went security on a bond for the administration of the estate of James French in Prince William County, Va. (Prince William Co., Va., Will Book C, page 423.) The inventory was submitted July 25, 1743 by Gervase Aidaughete and William French. (Prince William Co., Va., Will Book C, page 425, 426.)

In the will of James French, made November 2, 1741; proved March 23, 1743, Leonard Hornsby and John Metcalf were designated as executors. They "refused the burden of executorship". Thereupon, William French and Jarvis Daughnetee qualified to administer the estate and gave the bond referred to above.

Apparently French had only his widow, Elizabeth, his daughter, Mary Ann, and his son William. The son received the home plantation. (Prince William Co., Va., Will Book C, pages 423, 425, 426, and 446 to get full official information.

Note that Leonard Hornsby mentioned as an executor later appears in Frederick County, Va., as one of the appraisers of the estate of (100) William Daughnetee in 1761. This suggests some possible relationship between the Daughnetee and Hornsby families. (Frederick Co., Va., Order Book 3, pages 55 and 56.)

A further fact is this:-There exists in Prince William Co., Va., a poll list of those who voted there in 1741, and the candidates for whom they cast their vote. A search of that list failed to disclose any Daughnetee or similar name.

It should be here noted that the name signed to the bond was

Jarvis a Doughity, but in recording it the clerk spelled it as DOGGANTY. The fact of this mixup is the subject of comment at page 409, Vol. I, The Washington Ancestry.

It seems proper to here call attention to the fact that this William French was the one who later acquired land in Frederick Co., Va., which he sold to (100) WILLIAM DAUGHETEE. Also, that the widow of James French was named ELIZABETH. It seems probable the families were closer than mere neighbors, and it might be that Elizabeth French may have become the Elizabeth Daughettee, first wife of Jarvis. (Note that (265) WILLIAM DAUGHETEE was a partner of a John French in Estill Co., Ky., almost one hundred years later.)

There was a Richard Jarvis in Prince William County. It is possible the two families intermarried in that county, but there are no marriage records available at this time.

Jarvis first appears in Frederick County at the same time his father (100) WILLIAM appeared of record. At that time he acquired 100 acres of land from Jacob Funk who also sold land to (100) WILLIAM. He record this lease and release, but insert a copy of the release only.

At a Court held for Frederick County, Tuesday the 5th day of October 1755

Gervas Daugherty and Elizabeth his wife (the said Eliza-

both being first privately examined in open court) acknowledged this their release for land to Henry Funk which on the motion of the said Henry the same is admitted to record

Wood C C

It is to be noted that the name in the body of the deed is spelled Doughday, which was the spelling used in 1745 in the deed of release to Jarvis; and that the deed is signed Gervas DOUGHNUTTEN. Now this is a book record by the County Clerk, and not an original record. As a rewritten record it should be accepted subject to the errors in transcribing; and with the further understanding that the land originally was released to GARVIS Doughday.

June 3, 1760-Jarvis appeared in court with Sarah, widow of his father (100) William. He signed as one of her securities on the bond given by her as administratrix of the estate. (Frederick Co., Va., Order Book 9, page 55.)

Jarvis, being the eldest son of (100) William, fell heir to all the real property of his father who died intestate. Of the three pieces acquired by (100) William, his father, he apparently retained the 1 piece of 160 acres acquired by (100) William from John Funk the year before his death.

The other two adjoining pieces of 160 acres each, acquired by (100) William from Jacob Funk, and William French, were consolidated by Jarvis and leased and released by Jarvis to (111) William his brother under of August 4-5, 1760. This record follows:-

In the personal property lists he also appears with similar name variations. In 1722 his sons John and Josiah have presumably

come of age and are listed with him. In 1794 Josiah and Elijah are listed with him. (It is to be noted that Josiah is not named in the will and probably died between 1794 and 1812.)

Through all the variations of spelling it is to be noted that the name in 1808 was spelled exactly as the spelling used by the Kentucky branch of the family.

In the 1782 and 1785 state census he appears with his name spelled JERVICK ADAUCHERTY.

In the 1810 Federal Census of Shenandoah County, Va., at page 214 the name Garvy Docketty appears. He was shown as over 45 and at his home was one female between 16 and 25.

The following miscellaneous records of Jarvis Dougherty are of record in Shenandoah County, Virginia.

There seems to be confusion in these Durkins names. It appears that Sarah Daughhatee married James DURKINS according to family records given. However, the \$100.00 advance payment is reported as made to William Durkins; the \$383.33 to David Durkins; the 225.18½ to Daniel Durkins. The name also appears spelled DUCKIN at times.

* - Mary Daughhatee was reported from the family records as having married Thomas Wright, but the settlement of the estate indicates she must have married David Walters.

(111) WILLIAM DAUGHETER, born _____; died 1794. He married MARY _____. It is not known if this was his first and only marriage or a second one. "Marjery" Daugherty was in the Monongalia Co., Va., tax list in 1798.

Few records of this man have been found in Frederick Co., Va.

8/3/1780-He acquired the 200 acres of land from his brother (110) Jarvis. (Frederick Co., Va., Deed Book 6, pages 18 and 19). This records has already been fully covered under (110) Jarvis, and need not be repeated here.

8/5/1780-He seems to have been the William who was one of the appraisers of the estate of Jacob HOFFMAN. (HOFFMAN) (Frederick Co., Va., Will Book 2, page 413.)

12/3/1781-He was ordered to pay 470 pounds of tobacco to a witness. (Frederick Co., Va., Order Book 9, pages 356 and 357-Case of William Dougherty vs. John Bowman.)

10/3/1785-It was ordered that William DOHERTY and 200 acres of land be added to the list of tithables in Frederick Co., Va. (Order Book 13, page 19.)

October 1791-Case of William Daugherty vs. Isaac Zane, dismissed with costs. (Order Book 23, page 212) It is not clear what he was doing in Frederick Co., at that time.

No later record of him has been found in Frederick Co., Va.

Being a younger son he did not fall heir to any of the land when his father died intestate in 1781.

-- 111 -- CONT'D

(111) WILLIAM DAUGHENTER appears in the land tax records of Shenandoah County, Virginia from the earliest available record of 1782 to 1794 when he sold his land, and not thereafter. In each case he is shown as having 200 acres.

His name is variously spelled as follows:-

1782-Will Adougherty
 1789-William Adaugherty
 1790- " Audaugherty
 1791- " Andauugherty
 1792- " "
 1793- " Audaugherty
 1794- " Adaugherty

In the printed so called "First Census" of Virginia, designed to replace the destroyed 1790 Federal Census, they reprinted the State Census or tithe lists of certain counties of Virginia for the years 1782 and 1785. The lists for Shenandoah County are included for both years. He appears therein as follows:

1782-William Adougherty
 1785- " "

He did not appear in the Monongalia Co., Va., lists for 1782 or 1785.

It is believed he moved to Monongalia Co., from Shenandoah about 1787; but he seems to have been in Monongalia prior to that year for the purpose of selecting lands, and establishing the required proof of "improvement and cultivation".

The destruction of practically all the county records in Monongalia in 1793 leaves us with only fragmentary records prior to that date.

He appears to have settled in the Dunkards' Bottom District, then in Monongalia Co., Va., along the Cheat River. Dunkards' Bottom was a tract of fine land on the east side of Cheat River, 22 miles from the mouth of Cheat River, and about 47 miles southwest of Fort Cumberland. It should not be confused with Dunkards' Creek which is a tributary of Monongalia River, and not of the Cheat River.

They located on a small stream crossing Dunkards' Bottom and emptying into Cheat River, and it still bears the name of DORITY'S RUN. There also was a DORITY Post Office in the settlement.

The extensive holdings were where the present village of Albright, West Virginia, is located, and are about three miles northeast of Kingwood, County seat of Preston Co., W. Va. Preston County was formed out of Monongalia County, Va., in 1818. Both are now in the state of West Virginia.

We submit some land records in Monongalia Co., Va., believed to belong to this man:-

From Monongalia County, Va., Record of Claims to Unpatented Land P. 165.

We the Commission for adjusting the claims to unpatented lands in the counties of Monongalia, Yohogenia and Ohio do hereby certify that William Daugherty is entitled to four hundred acres of land in Monongalia County on Cheat River adjoining lands granted Thomas Butler to include his settlement made in the year 1770.

This grant was made 11/13/1789. It covered 400 acres on Cheat River, adjoining Thomas Butler. (Virginia Land Office Grant Book 22, Page 43.) The surveyors record at Morgantown shows a survey of 400 acres on Cheat River made August 15, 1788. (Surveyor's Book 4, page 84.)

Test John Evans Clerk Court

John P. Duvall-James Neal-William Haymond

Entered 6th October 1781

We found no record of any grant made to cover this certificate in the Virginia Land Office, but there is evidence that William Daugherty acquired similar land in another location.

In Monongalia Co., Survey Book 4, page 211 there is record of 200 acres surveyed for William Daugherty, part of preemption warrant 1937 for 1000 acres, dated Dec. 18, 1781; entered October 10, 1785, near mouth of Pringles Run. Assigner of James Morgan, Assignee of John Morgan.

In the Virginia Land Office in Richmond, Grant Book 34, page 380, June 27, 1798, shows a grant of 500 acres to William Daugherty, above the mouth of Pringles Run, on the west side of Cheat River, adjoining Col. Wm. McCleary. Granted by virtue of L. O. T. W. 1937. It seems obvious this is part of the 1000 acre grant. However, the Grant Book at this entry bears this notation: "Delivered to Mr. Morgan January 19, 1856". No further details.

In No. 2 Land Entry Book 1783-1802 in Morgantown, Monongalia Co., W. Va., we find these entries which undoubtedly bear on this 1000 acre grant.

P 224- Wm. Daugherty enters 150 acres of the last warrant between Pringles Run and Cheat River on the River Hill. August 7, 1791, withdrawn.

P 223- Wm. Daugherty enters 150 acres of the last entered warrant on the second point of the mountain above Pringles Run. August 8, 1791, withdrawn.

P 252- William Daugherty assignee of John Morgan enters 200 acres, part of L. O. T. W. on preemption of 1000 acres, dated 13th December 1781, beginning about three quarters of a mile above the mouth of Pringles Run, between said run and Cheat River, and extending out from the River and Run for 2 mi. Withdrawn by order.

A William Daugherty had a claim for land in Monongalia Co., Va. He must have died before October 8, 1793. On that day a Jarvis DOUGHERTY and other heirs of William established the facts of their heirship. They were granted 354 acres in Monongalia Co., Va., between Roaring Creek and Casper's Run. This was by virtue of an order of court pronounced October 8, 1793. (Virginia Land Office Grant Book 37, page 491) dated 11/8/1797.

In the Surveyors Record at Morgantown, W. Va., in Book 4, page 388 it is shown that a survey of the claim was made as follows:-

-- 211 -- CONT'D

In Richmond the 6th day of October 1793--354 acres of land in Monongalia County, for Jarvis Dougherty, Jane Eliot, wife of Abraham Eliot, Rebecca Dougherty, Honey Dougherty and Elizabeth Dougherty heirs at law of William Dougherty, deceased, assignees of Samuel Titch between Roaring Creek and Draper's Run, bounded as follows: (Then follows the description).

William Dougherty, Senior, and Junior were listed as tax payers in Monongalia Co., Va., tax lists from 1785 to 1793.

July 25, 1792--William Dougherty and William Dougherty, Junior, signed a petition in Monongalia asking for the formation of a new county out of Monongalia and suggesting Thomas Butler and Andrew Ramsey as Justices. Thomas Butler was a neighbor of William Dougherty and John Doughettee, and Andrew Ramsey's daughter married another William Dougherty, son of Jarvis. (120) William in this record. This new county was not formed until 1816 long after the Doughettees had left that section. The new County became Preston County, formed in 1818.

In the History of Preston County, W. Va., (Formerly Va.) at page 408 is the story of William who lived near what was later St. Joe, Preston County and had a large amount of land. It recites the romance between William Dougherty's daughter Jane and Abraham Elliott when she married. However, it incorrectly calls him William Elliott.

In a later History of Preston County by Morton he attempts to tell of the same romance, but calls Jane the daughter of John Dougherty. It seems clear from the proof of heirship made by Jarvis, Jane, etc., she was the daughter of a William instead of a John, but the compiler believes she was the daughter of a William Dougherty, Jr.

(112) JOHN DAUGHNETEE, born _____; died _____.

We list a John as a probable son of (100) William for these reasons:-

- 1- The prevalence of Johns in many later families of this line.
- 2- The unidentifiable records of several Johns living in the same general section contemporary with this family.

-- 112 -- CONT'D

3- It is not known definitely at this time whether the (131) John Daughetes, born September 19, 1756 was the son of (100) William or the son of (111) William. It is probable he was the son of (111) William, but (100) William seems to have been young enough to have been the father of children as late as 1766.

If further investigation proves which William was John's father the record in this compilation may be easily adjusted accordingly.

He married _____.

(113) EVAN DAUGHETTES, born B1760; died A1830.

The sole record of this man is where an Evan Dougherty appeared in the 1830 Census of Cape Girardeau Co., Mo., at page 844 as follows:-

1 male 20 to 30
1 " 70 " 80
1 female 10 to 15
1 " 50 " 60

Until this record was found the Compiler had never heard of such a man in the family, and as stated, his inclusion is upon the theory that he may have been a son of William.

His birth would have occurred between 1750 and 1760 according to his age range.

He married _____.

They had:-

NOS. 150 to 159 RESERVED.

(114) PERLINA DAUGHETTES, born B1760; died _____. No list this daughter purely as a precautionary measure; in case it is later found that her listing as a daughter of (111) William is in error.

(120) WILLIAM DAUGHNETT, born March 17, 1763; died _____. He married ELIZABETH RAMSEY A1796. She was born November 26, 1771, daughter of Andrew Ramsey.

Andrew Ramsey was the son of John Ramsey, who died and left a will in Monongalia Co., Va., made March 26, 1796; proved August, 1796. This will for some reason is recorded in Monongalia Co., Va., Deed Book 2, page 345, instead of the regular Will Book. The will named his sons: John and Andrew; his daughters: Rebecca Gibbons, Mary Simpson and Hannah Haden; his grandchildren Elizabeth, Rebecca, Ann and Andrew Ramsey.

Andrew Ramsey, father-in-law of (120) William was in Monongalia 10/12/1793 when he had a survey of 500 acres of land. This land was granted to him under preemption warrant 1937 of Dec. 3, 1781, the warrant being for 1000 acres.

(120) William Daughnetts moved to Cape Girardeau, now in Missouri, but then in Spanish Territory. He is said to have located there about 1796. In "The Spanish Regime", by Houcks, it prints a copy of a Census of Cape Girardeau taken November 1, 1803. This shows that William and his brother Elijah were both there. (P 404) It also indicates he was a Captain of Rangers in the War of 1812.

In Volume 29-PUBLIC LANDS-American State Papers there appear the lists of land claimants in the Cape Girardeau District. At page 696 it is shown he received certificate 220 for 440 arpents of land, and certificate 221 for 240 arpents under date of April 21, 1809. The land was on Hubbles Creek. At page 622, he appears as claimant 153 claiming 400 arpents of land, but his claim was denied November 1, 1811.

In the 1803 Census referred to above William is listed as having 1 male, 1st class; 2 males, 2nd class; 2 females 1st class; 1 female, 2nd class.

With William Daugherty came a brother-in-law, Samuel Tipton, who also married a daughter of Andrew Ramsey. The Tipton's and Daugherty's were both in Frederick and Shenandoah Counties, Virginia.

It may be of interest to note that Andrew Ramsey is credited by Historians as being responsible for the establishment of the first English School West of the Mississippi River. This was in 1792. (Vol. 5, Page 296, Encyclopedia of the History of Missouri.)

William with Elijah and John were members of the Spanish American Military Co., in Cape Girardeau. After they moved there. (P 192 Houcks History of Missouri).

(120) WILLIAM DAUGHERTY had:-

* 200 -	RALPH DAUGHERTY,	born	;	died
* 201 -	MARY	"	;	" 3/24/1803; " 3/24/1855.

(121) JOSIAH DAUGHERTER, born 1771; died 1813.

This son first appeared of record in the tax list of Shenandoah County, Va., in 1792, with his father, Jarvis, and brother John. From this we deduce he was born about 1771, and died before his father's will was made in 1813, as he was not named in the will.

He married _____.

They had:-

NOS. 210 and 211 RESERVED.

(122) SARAH DAUGHERTER, born _____; died _____. She appears to have married JAMES DUKINS according to the family records. However we have these records from the recorded settlement of the estate to confuse us.

- 1- \$100.00 advanced to WILLIAM DUKINS
- 2- \$383.33 paid from estate to DAVID DUKINS
- 3- \$225.18 " " " DANIEL "

These latter three-- William, David and Daniel may have been sons.

There is further confusion as to the family name in some places it appears DUKIN; in other places DUKIN; in still others DUKINS.

She married _____.

They had:-

NOS. 212 to 214 RESERVED.

-- 123 --

(123) PHOEBE DAUGHTERTRE, born _____; died _____. She married William POSTLE prior to July 11, 1812, when her father's will was made. There is some variation in the spelling of the name of her husband which appears as POSL and POSTLE.

They had:-

NOS. 212a to 214 RESERVED.

-- 124 --

(124) ELIZABETH DAUGHTERTRE, born _____; died 1845. She married JOHN ANDERSON _____.

In the History of Pendleton Co., W. Va., at page 174 is a brief biography of the Anderson Family. This refers to a John Anderson who settled at Woodstock, Va. It states that he was a live stock man, and disappeared following a trip to Baltimore, Md., with a lot of stock. It is supposed that he met with foul play after receiving the money for his stock. The Compiler does not know if this was the same man.

In the History of Shenandoah Co., there are several references to John Anderson. Whether these refer to this man is not known to the Compiler.

John Anderson bought lots in the Village of Woodstock, Va., in 1814. (Shenandoah Co., Va., D. B. V, pages 66 and 150-Lots 37, 92 and 119).

He died intestate prior to 1845. His estate was administered by his widow. Its settlement was reported in Shenandoah Co., Va., Will Book X, page _____. The settlement lists the children as follows:- (Each received \$45.11; as their share of the estate).

-- 125 --

(125) ABRAHAM DAUGHTERTRE, born _____; died _____. He went to Cape Girardeau, Mo., shortly after 1800 and served in the War of 1812 in that state.

He was in the 1830 Census of Cape Girardeau Co., Mo. His age was shown as 40 to 50 making him born between 1780 and 1790. His

wife's age was 50 to 60. At their home were 2 males 5 to 10, 2 females, under 5, and one female 20 to 30.

He married _____.

They had:-

NOS. 220 to 224 RESERVED.

(126) MARY DAUGHTER, born _____; died _____. She evidently was not married at the time her father's will was made, but had been married before the settlement of the estate in 1822. Her name in the settlement is reported as MARY WALTERS, and the final payment is reported made to DAVID WALTERS, presumably her husband.

A report from the family records shows she married THOMAS WRIGHT. From this we deduce she may have been married twice, and so record it.

She married:-

- I- DAVID EDWARDS after 1812
- II- THOMAS WRIGHT " 1838

She had:-

NOS. 225 to 229 RESERVED.

(127) JOHN DAUGHTER, born 1771; died _____. John moved to Cape Girardeau in 1803 and served there in the Spanish American Military Co.

In Vol. 29, American State Papers at P 483 is a record of his land transactions in Cape Girardeau as follows:-

1800-JOHN GUENTHER swore John cleared part of land.

2/28/1808-John claimed 400 arpents of land. 6/1/1808 testimony was taken. 1/24/1810 Board denied his claim.

1818--His claim for 750 arpents of land on BYRD'S CREEK, Cape Girardeau District was rejected. (P 351 Vol. 30, American State Papers).

He appeared as a titheable in the tax lists of Shenandoah Co., Va., for the first time in 1792, with his father, Jarvis, and brother Josiah.

The Compiler believes this man returned to Shenandoah Co., Va., and that he was the John Dougherty who appeared there in the 1820 Census, also the John Dougherty who appeared in the 1833 tax list of Shenandoah Co., Va.

He married _____.

They had:-

MS. 230 to 239 RESERVE.

(128) ELIJAH DAUGHERTY, born 61778; died _____ 1853.

He was named in his father's will.

He married PATTY _____. She died Circa 1840.

He followed his brother, William, to Cape Girardeau, now in Missouri, settling there in 1803. He appears in the Census of that year.

6/7/1811-Elijah Dougherty, alias Eliza, claimed 928 arpents of land on HUBBLE Creek, in Cape Girardeau District, by settlement rights. He was awarded certificate No. 798 for 640 acres in 1813. (American State Papers, Volume 29, page 715; Volume 30, page 329 Public Lands).

He served in the Spanish American Military Co., Cape Girardeau, 1803.

In the History of Southeast Missouri, published by Goodspeed, at pages 923 and 924 is a history of his family. This states he was born in Virginia; died in Cape Girardeau, Mo. The name was spelled DAUGHERTY, the spelling followed by his brothers.

He was in the 1830-1840-1850 Census of Cape Girardeau Co., Mo.

6/2/1783-Surveyor's Book 1, Page 453 is a record of a survey of 200 acres on the East Side of Cheat River in Mon ngalia Co., Va. No corresponding grant was found in the Virginia Land Office at Richmond.

The following records are taken from the Land Entry Books at Morgantown, Monongalia Co., Va. The first three reflect a power of attorney alleged to have been given by John Doughetee to Thomas Butler. Butler in turn, assigned John Doughetee's entries to Samuel Crane.

P 247- Land Entry Book 1783 to 1802-

1787-John appears once-5/26/1787-with 1 tithe, 3 horses, 3 cattle.

-- 131 -- CONT'D

1790-John appears once-DOHERTY with 3 cattle

He appears no more in the personal property lists until 1799, and then only in one year.

1799-John appears once in the personal property list. The fact that this John was in Clark Co., Ky., 6/22/1795 when his daughter, Mary Ann, married William Horsley, causes the Compiler to deduce that the 1799 John in Monongalia was another man. This (131) John was in Clark Co., Ky., 11/2/1801 when his daughter Rachel married. It is unlikely he moved back to Monongalia, then back to Kentucky. (131) John was in the Clark Co., Ky., tax list 6/10/1801.

In the History of Preston Co., Va., by Preston it states that John Dougherty in 1776 settled at or near Dunkard's Bottom near Jacob Jones and Hugh Morgan (P 56.) The same history says that the cabin of John Dougherty stood a little east of Albright, W. Va., on the John C. Crane Farm. (P 342) This History, however, confuses children of John with children of William.

In 1798 John Daughetee (Dougherty) signed a petition with others asking a new county be formed from Monongalia Co., Va. This later became Preston Co., Va., in 1818.

A John Doherty was in Berkely Co., Va., tax lists in 1792, 1793 and 1794, but he doubtless was not (131) John.

While the family traditions indicate this man moved from Monongalia Co., Va., to Kentucky about 1801, records show that he was in Kentucky as early as 1795. It is probable he was there while Kentucky was still a part of Virginia.

A John DAUGHTERTY was in Fayette Co., Ky., tax lists 1790 to 1792. The Compiler believes this is (131) John, for this would fit into his dropping out of the Monongalia Co., Va., tax lists in 1790.

A John DOHERTY was in the Jefferson Co., Ky., tax lists 1789 to 1800, and a Senior and Junior appeared there in 1801.

(Clark County, Ky., was formed from Fayette and Bourbon Counties in 1792, so it may explain why he is later found in Clark. Estill Co., Ky., was formed in 1808 from Clark and Madison Counties. Thus it seems probable he shows in these county records without moving from his first location.)

The only Census Record available on (131) John is the 1810 Census of Estill Co., Ky. In it he appears as over 45. At his home are 2 males under 10, 1 male 10 to 16, 1 male 16 to 26, 1 male 26 to 45; 1 female under 10, 1 female 16 to 26, 1 female 26 to 45. (These ages do not account for all his listed children alive at the time).

In the 1820 Census of Estill Co., Ky., he does not appear as he was dead in May 1820. His widow Nancy appeared. She was over 45. At home were 1 male 16 to 18 and 1 male 16 to 26.

8/1/1807-Clark Co., Ky., Deed Book 4, page 369, contains the record of a partnership land deal between James Butcher, Isaac Butcher, John Daugherty, Absolum Hunt, William Morgan, Benjamin Blackburn, Edward Perkins, Francis Clark and Basil Hunt. It involved 5,212 acres located on the waters of main Licking Branch of Licking River. It was purchased from William BUCK or BUSH.

John and Susan Daughmetee gave consent with William Estill and James Horseley witnessing the consent. Both were alive and were in the will of 1820.

We have located no further records of this family.

(261) RACHEL DAUGHMETEE, born July 12, 1782; died December 21, 1847. She married Thomas McDonald Darnall. He was born August 16, 1789. Her father was on the bond. She died December 21, 1847, and is buried in Edgar County, Illinois. He was the son of John Darnell (Darnall) and Mary Ann McDonald, and is mentioned in his father's will in Kentucky in 1798. He died July 3, 1837.

After her death between 1810 and 1814 he married Sally Hanson in Estill County, October 23, 1814. John Hanson signed his marriage bond. In the 1820 Census of Estill County William Meadow's name appears. His age was shown as between 26 and 45 years. He was named as one of the heirs in the will of John Daughetee, his father in law, in 1820.

His Census entry of 1820 shows at his home three males and two females all under ten years of age. We have no information as to which, if any, of these children were from his marriage to Telitha Daughetee.

A William Meadows was shown in the 1810 Census of Estill County, Kentucky next to an Israel Meadows. One male and one female under ten were listed at his house. No adult female was shown. We deduce that he had been married previous to his marriage to Telitha Daughetee in 1810.

In the 1810 Census of Estill County, Kentucky, he appears with one male and one female under ten. In the 1820 Census of the same county he appears with one male and one female between 10 and 16, and one female under 10.

He was in the Estill County, Kentucky, Tax Lists for 1808, 1809, 1811, 1812, 1813, 1814, 1815, 1816, 1817, 1818, 1819, 1820, 1822, 1823, 1824.

FAMILY NO. 2

(1) DAUGHERTY, born _____; died _____. With no information concerning this man we list him as the head of Daugherty lines found early in Orange and Frederick Counties, Virginia.

He married _____.

They had:-

- * 2 - EDWARD DAUGHERTY, born _____; died A1735.
 - * 3 - JOHN " " _____; " " _____.
 - * 4 - JAMES " " _____; " A1766.

-- 2 --

(2) EDWARD DAUGHERTY, born _____; died A1735. This man jointly with John Dougharty received from the state of Virginia under date of June 6, 1735, a patent for 400 acres of land lying on the forks of the Rapidan River, and then in Orange County, Va., adjoining the lands of John Bruce. (Virginia Patent Book 15, p. 501).

The Compiler has not found any deed of record showing when the patentees disposed of it, but in the will of William Lynn, filed in Spotsylvania County, Va., in 1757, he devises this same land and states he obtained it from Edward and John Dougharty.

No further record of this Edward has been found.

He married _____.

They had:-

NOS. 10 to 19 RESERVED.

-- 3 --

(3) JOHN DAUGHERTY, born _____; died _____. We identify this man as the John who, jointly with Edward, obtained the patent referred to above.

He is also believed to have been the same John Daugherty that obtained a patent for lot 107 in the town of Winchester, Va., May 15, 1753. A photostatic copy of this lease and release is in the possession of the Compiler. (Northern Neck Land Book "L", page 6.)

In Frederick Co., Va., Deed Book 7, page 52-54, he disposed of one half of this lot to Peter Foreman, May 16, 1753.

June 5, 1764, Deed Book 8, Page 247, he disposed of the other half of the lot to Bryan Bressin. The entire lot 107 comprised one acre.

We also identify this man as the John Daugherty who, jointly with James Daugherty, obtained 400 acres on Sleepy Creek in Frederick County, Va., under date of August 9, 1766. This was under a lease and release from Lord Fairfax. (Northern Neck Land Book "N", page 107.)

In Frederick County, Va., Deed Book 12, pages 91 and 92, 100 acres of this land was leased and released to Pierce Butler, March 1, 1767.

John Daugherty was designated as a carpenter.

There may have been several John Daugherty's in Frederick Co., Va., while this man lived there. If not, he was quite a busy man and in court proceedings almost constantly. Nothing would be gained by reciting the nature of most of these, but references to some will be given so that those who choose to do so may read up on the details.

Some references to some of the court proceedings in Frederick County, Va., wherein a John Daugherty was involved:

(4) JAMES DAUGHERTY, born _____; died _____. We identify him as the brother of (3) John, and one of the lessees of the 400 acres of land referred to in detail under the write up of (3) John.

We also identify him as the man who obtained 174 acres in Frederick Co., Va., Jan. 2, 1788 (Northern Neck Land Book "S", page 344). He probably was the James who obtained 200 acres in Harrison Co., Va., Oct. 2, 1797, (Grant Book 37, page 435) and 200 acres in Harrison Co., Va., Sept. 11, 1799. (Grant Book 42, page 610). He may have been the one who obtained 500 acres in Jefferson Co., Ky., July 27, 1786. (Grant Book "W" page 203).

Later he appears of record in Monongalia County, Virginia, after that county was formed.

In 1782 he appeared in the tax list of Hampshire County, Va., with 1 white tithe.

He was one of the Trustees designated under the Act authorizing the establishment of a county seat in Monongalia Co., Va., in October 1785. (Vol. XII, Henings Statutes).

He first appears in the Monongalia tax lists for 1785 and continues there until his death.

In 1789 he was the Jailer at Morgantown.

In 1789-1790 he was a Tax Commissioner for the county.

In 1788-1789 he acquired 5 acres in the town of Morgantown. The deed record was destroyed when the Court House was burned in 1796, but reference to this may be found in the printed Records of Augusta Co., Va., Vol. II, page 128.

In 1775 he served as a Captain during the Indian Campaign known as McIntosh's Campaign. Proof of this was made in a court proceeding recorded in Monongalia County, Va., order book 4, pages 241-243. This records the fact that Enos Daugherty was his sole heir.

Sept. 1800 he executed a deed of trust in Frederick Co., Va. (Order Book 34, page 456). He collected witness fees in Frederick Co--1794 (Order Book 25, page 262.)

He was a Doctor in Morgantown.

In Frederick County, Va., Order Book 27, page 127 Enos Daugherty was appointed an Ensign in Captain Beatty's Company.

He appeared in the 1810 Census of Monongalia County as E. Daugherty with 2 sons under 10 and three daughters. From Wiley's History of Monongalia County, page 579, plus some additional information at page 67 of the History of Scioto Co., Ohio, we find he married Miss Sample of Winchester, Va.

FAMILY NO. 3

(1) CONSTANTINE DAUGHERTY, born _____; died 1778. Little is known concerning this man, and the records of his time frequently refer to "Con" Daugherty, and may mean either this man or a contemporary named Cornelius Daugherty who was in the same section.

April 5, 1765 he first appears in the Frederick County, Va., records in a suit. (Order Book 12, page 388). See also Order Book 14, page 15, and suit by his Executor (?) Thomas Barkley--10/8/1772 (O. B. 15, page 445.)

May 25, 1765 he acquired 166 acres in Hampshire Co., Va., from an assignment by John Reno, who had patented it March 20, 1761. May 15, 1791 this land was sold to Thomas Barclay, a Philadelphia merchant. This record is taken from the Genealogy "Hopkins of Virginia, by Walter Lee Hopkins, page 224.

March 17, 1775 Hugh Daugherty of Lancaster Co., Pa., was granted 460 acres in trust as attorney for the heirs of Constantine Daugherty. This land was located in Hampshire County, Va., on Patterson's Creek adjoining the land of John Reno and William Bush. (Northern Neck Book P, page 339, Virginia Land Office.

Constantine Daugherty married _____.

They had:-

- 4 - JOHN " " _____; " _____.

(2) HUGH DAUGHERTY, born _____; died _____. He may have been the Hugh Daugherty in suits in Frederick Co., Va., in 1753. (Order Book 4, page 401), and also March 9, 1780, when he sued Edward McGuire (O. B. 17, p. 291).

He married _____.

They had:-

NOS. 10 to 19 RESERVED.

-- 3 --

(3) BERNARD DAUGHERTY, born _____; died 1786. Little is known of this man beyond the meager records disclosed by the County Records of Frederick Co., Va.

3/9/1786--JOHN MELHORFF, Jr., qualified and gave bond for the administration of his estate in Frederick Co., Va. (O. B. 20, page 291).

6/6/1786--An inventory of his estate was returned in Frederick Co., Va. (Order Book 20, page 155).

5/8/1787--He was in a suit in Frederick Co., Va., with Burr Harrison. The fact that Bryan Bruin and Edward McGuire went on his bond lends strength to the belief that Bernard was a brother of Hugh Dougherty.

He married _____.

They had:-

NOS. 20 to 29 RESERVED.

FAMILY NO. 4

(1) CORNELIUS DAUGHERTY, born _____; died _____.

He married ANN _____.

In 1742 he was a private in the Augusta Co., Va., Militia under Captain George Robinson; Lieut. Jas. McFaron, Ensign Pat. Shirky; Sergeant Dan MANAUEHAN. (Augusta Co., Va., Records. Vol. 2, page 509--and p. 94, Virginia Colonial Militia.)

8/16/1754--He was sued in Augusta Co., Va. (O. B. 6, page 82)

3/6/1756---He was in a suit in Frederick Co., Va., (O. B. 7, page 52)

7/7/1761---He acquired 480 acres of land in Frederick Co., Va., from Lord Fairfax. (Northern Neck Land Book "K", page 303 in Virginia Land Office).

6/1/1768---He was sued and lost in Frederick Co., Va. (O. B. 14, page 202).

6/2/1768---He disposed of the 480 acres of land in Frederick Co., Va., which he had acquired 7/7/1761. The land was on the West Side of North River on a branch of Mill Creek. (Frederick Co., Deed Book 12, pages 449-450).

1/30/1775--As Cornelius A. Doherty, he signed articles of agreement with George Aston for lands jointly owned and lying on waters of Lower Traverse Creek. The deed was proved at Ft. Dunmore, West Augusta District of Augusta Co., Va., 2/23/1775/ (Printed Record of Deeds of West Augusta.)

It is not improbable that this Cornelius Daugherty was the father of other Daugherty descendants found in Augusta and other county records, but we have no means of identifying them. Particular attention is called to the Cornelius Daugherty who was set tax free in Botetourt Co., Va., 8/9/1781 "because of age and infirmity". (P. 346 Annals of Southwest Virginia). It seems probable that the Cornelius Daugherty, son of Charles, also in that county at that time was too young and active to have been classed as old "because of age and infirmity". Could it not be that the Cornelius who moved from Augusta to Frederick may have returned to live with his grandson in his old age?

FAMILY NO. 5

(1) JOHN DAUGHERTY, born _____; died _____. We have no definite information concerning this man's identity with any family.

It is not known if all of the following records refer to the same man, but they are tentatively set out under this man's entry.

4/15/1777 to 6/12/1777 a John Daugherty served in Capt. Wm. Hammonds Co., in Monongalia Co., Va. (This may have been the John Daughhatee of Family No. 1) (McAllister's Virginia Militia) The payroll of this service is in the Archives at Charleston, W. Va.

1781-1782 a John Daugherty served in the company recruited by Captain Benjamin Biggs. (P. 104 Cartwell's History of the Shenandoah Valley).

7/28/1783-a John Daugherty was a soldier in active service at Ft. Pitt. (Vol. 3, No. 2, page 170, The West Virginia Historical Magazine.) The Compiler believes this may have been the John Daughhatee in Family No. 1.

3/24/1780 a John Daugherty was a private in the Illinois Regiment under Gen. Geo. Rogers Clark; and from 7/22/1782 to 11/22/1782 he was a Captain. (Illinois Historical Collections, Volumes IV and X. The Compiler has a photostat of his 1782 service as a Captain, and believes this may have been the John Daughhatee of Family No. 1)

FAMILY NO. 6

(1) JOHN DAUGHERTY, born 1756; died Sept. 1835. He was born in Virginia and died in Shelby Co., Ky. He served in the Revolutionary War, and applied for a pension in Shelby Co., Ky., June 30, 1820.

His application referred to his service from June 1775 to February 1778 in the 12th Virginia Regiment under Colonel James Woods, Captain Stephen Asley or Ashby.

At that time (1820) he had no children living near him, but had 3 grandchildren whose mother was dead. Their ages were 12, 9 and 6 years (Pension S 35698).

He died intestate.

In the Virginia Archives is a file of correspondence which shows that in 1845 Anderson and George Daugherty of Clay County, Mo., endeavored to get a bounty warrant. They claimed he was their grandfather and that he had served under General Clark.

They alleged he had only 2 children, (1) George, who left his father about 1815 and never was heard from, and Polly who married Jesse Daugherty and was their mother. Their claim was rejected.

We identify him as the John Daugherty who obtained the following land grants then in Jefferson Co., Ky.:-

6/6/1787-100 acres on Goose Creek, waters of the Ohio River, in Jefferson Co., Ky., (Virginia Land Office Grant Book II, page 226 and Preemption Treasury Warrant 458).

3/16/1791-1600 acres on Mill Creek, a branch of the Kentucky River in Jefferson Co., Ky. (Virginia Land Office Grant Book 23, page 508).

4/21/1792-1500 acres in Nelson County, Ky. No water named. (Virginia Land Office Grant Book 24, page 671, and L. C. T. W. 10, 055 and 10054.

A John Daugherty also obtained considerable land in Lincoln County, Ky., but we do not believe that was the same man.

9/1/1797-with his wife ISABELLE he deeded 100 acres located in Shelby Co., Ky. They resided in Jefferson Co., Ky.

11/21/1797--In deed Book "C", page 58-Shelby Co., Ky., there is recorded a deed for 1/2 of the patent to the 1600 acres of the land seemingly obtained under a treasury warrant to John Shelton. The deed was to William Shelton. The deed recitals showed that John Shelton was of Albemarle Co., Va., while John Daugherty and William Shelton both lived in Jefferson Co., Ky. The land was on Mill Creek.

9/1/1797-He deeded 900 acres located on Mill Creek, South Side of Kentucky River, to Benj. Craig. Craig bound himself to make up the acreage to 900 acres so as to clear Daugherty. (Shelby Co., Ky. Records).

(1) OWEN DAUGHERTY, born B1689; died C1720. He was one of the earliest Daugherty settlers in Virginia. We have no information beyond the fact that his inventory was returned in Norfolk Co., Va., some time between 1720 and 1730. In "First Census of American People" by Michael J. O'Brien, it is stated that he was in New (?) Norfolk Co., Va., in 1689.

He obtained a patent for 170 acres of land in the lower Parish of Norfolk County, October 25, 1689, and his name was spelled in that record DAUGHARTY. This land had been granted to Nicholas Robinson, and was purchased by Daugherty when it was found to escheat. (Virginia Land Office Patent Book 8, page 26).

He obtained 300 acres in Norfolk County by patent dated October 25, 1695. This land had formerly belonged to Thomas Hall, but had escheated to the Crown. In this record the land was acquired by Owen DAUGHARTY and John Bright. (Virginia Land Office Patent Book 9, page 33).

(1) MICHAEL DAUGHERTY, born _____; died _____. He received a patent for 78 acres on Black Water Swamp in Nansemond County, Va., July 10, 1765. (Virginia Land Office Patent Book 37, page 10).

The Compiler believes this may have been a brother to Abraham DAUGHTREY, who also received land there, 8/27/1770 (Patent Book 39, p 219).

If so the name probably was spelled DAUGHTREY. There were early records of DAUGHTREYS in Nansemond among which were the following:-

These in Nansemond Co., Va.

6/6/1714-111 acres	to Lewis Daughtrey	for importation	(P.B. 10, page 166).
6/16/1714-140 "	" Thomas	" "	(P.B. 10, page 181).

8/27/1770-84 "	" Abraham Daughtrey	mentioned above	(P.B. 39, p. 219).

These in Isle of Wight County, Va.

This in Southampton Co., Va.

5/23/1763-197 acres to James Daughtry (P. B. 35, p. 93)

Probably the Daughtry and Daugherty families were all from the same source, and doubtless the Owen Daugherty found early in Norfolk records was of the same group.

Early Nansemond records were destroyed, but in Isle of Wight and Southampton Counties we find these records of Daughtry wills and inventories:-

(1) MICHAEL DAUGHERTY, born _____; died _____. He married MARGARET McCLINTON of near Staunton, Augusta Co., Va.

He is reported as born in Donegal County, Ireland.

His history is at page 400 of the History of Pocahontas County, Virginia.

We identify this man as the Michael Daugherty who obtained 350 acres on Kaps or Knapp Creek, a branch of Greenbrier River in Augusta County, Va., November 14, 1785. (Virginia Land Office, Grant Book "U", page 431.

He may have been the Michael Daugherty who received a grant of 150 acres on KNIPA Spur in Bath County, Va., 8/3/1801. (Virginia Land Office Grant Book 49, page 465 and L. O. T. W. 499).

FAMILY NO. 14

(1) CHARLES DAUGHTERTY, born _____; died _____ 1789. He married REBECCA _____.

He obtained a patent for 80 acres then in Augusta Co., Va., on a branch of the James River, called Cunningham Creek, between the House and North Mountain. (Virginia Land Office Patent Book 34, p 45.) The land was in that section of Augusta Co., which later fell within the County of Rockbridge.

8/8/1733 He witnessed a deed of James Cunningham for 100 acres of land on TERS Creek of James River. It cornered the land of Moses Cunningham. (Augusta Records, Vol. III, page 315).

In 1755 he was reported as "delinquent" in the Augusta Tax Levy. (Augusta Records, Vol. II, page 415).

11/25/1755 he sued John Craig in Augusta Co. (Order Book 5, page 5).

In 1757 he sued John Frazier who lived in Rockingham Co., Va., but the papers were not served because of Indians. (William & Mary Quarterly, second series, Vol. 3, page 93).

In 1758 he was killed in an Indian Raid. (History of Rockbridge County, Va., page 433.)

9/20/1763 his widow, Rebecca, was appointed administratrix of his estate. 3/20/1763 she was summoned to give counter security, but the papers were returned. (Augusta Co., Printed Records, Volume I, pages 108 and 148; Volume 3, page 80, and Augusta Will Book 3, page 277.)

From the location of his land, and the association with his neighbors named Cunningham we deduce the names of some of his children as shown below.

They had:-

 - * 3 - CORNELIUS " " B1756; " A1800.

- NOS. 6 to 9 RESERVED.

(2) GEORGE DAUGHTERTY, born B1740; died A1797. He married AGNES (may have been CUNNINGHAM).

We identify this man as a probable son of Charles Daughterty, because
(1) he is associated with the Cunninghams who were neighbors of Charles;
(2) He deeded land lying in the same section as that of his father.

The following records may have referred to this man. Obviously some of them do:-

- 1/16/1760-He was on the bond of Moses Cunningham, executor of James Cunningham's estate. (Augusta Records Vol. 3, page 88.) Charles Daugherty's land was on Cunningham Creek.
- 3/2/1763-He deeded the 80 acres on Carr's Creek of James River between House Mountain and North Mountain. Deed Delivered 1767. (Augusta Records Vol. 3, p. 420. From the description it seems obvious this was the land patented by his father, Charles. We deduce that George was the eldest son, hence heired the land when his father died intestate.
- 3/19/1765-He deeded 125 acres. The land was on Carr's or Carvis Creek, a branch of the James River, Augusta Co., Va. (Augusta Co., Deed Book 11, page 806.)
- 10/9/1765-He was a witness in Augusta Co., Va. This was for the deed of John Edminston for 170 acres in the Borden's Tract of 92, 100 acres. (D. B. 12, page 289.)

BOTETOURT COUNTY FORMED 1769 OUT OF AUGUSTA.

The next 5 records are from Annals of Southwest Virginia.

OUT OF BOTETOURT

- 1778-He was a tithable in Rockbridge County.
- 9/13/1778-He signed a petition from Rockbridge Co., Va.
- 8/1/1779--He deeded the 85 acres he acquired 2/20/1776. His wife Agnes signed the deed with him. (The land then was in Rockbridge Co. Va. (Deed Book A, page 128.)

5/18/1783-A George Daugherty was on a jury in Washington Co., Va., but he may not have been this man. (P 1141 Annals of Southwest Virginia.)

September 1783-A George Daugherty was on a commission to take depositions. (Augusta Records Vol. 3, page 29.)

From 1783 he was in the tax list of Greenbrier Co., Va.

7/1/1793-He acquired a grant of 200 acres on Carpenter's River in Greenbrier Co., Va. (Virginia Land Office Grant Book 48, page 474 and Exchange Treasury Warrant 3094.)

He appears to have moved to Kentucky for we there find these two records which seem to refer to this man:-

1/24/1797-Agnes Dougherty, daughter of George and Agnes married Charles Dougherty in Lincoln Co., Ky.

12/18/1798-Elizabeth Dougherty, daughter of George and Agnes, married Robert Baker in Lincoln Co., Ky.

(A George Doherty, born Augusta Co., Va., 1748; died Jefferson Co., Tenn., 1833. Served two years as private in Va. Line and was pensioned in Tenn. Enlisted in Greenbrier Co., Va. It is claimed he married Priscilla Goforth. This record has been accepted by the D. A. R., under Lineage Certificates 23135, 31415 and 133551 on his descendants.)

They had:-

10 - AGNES DOUGHERTY, born _____; died _____; married CHAS. DOUGHERTY.
 11 - ELIZABETH " " _____; " _____; " ROBERT BAKER.
 NOS. 12 to 19 RESERVED.

(3) CORNELIUS DAUGHERTY, born 1740; died _____. He married MARY HILL, _____.

The first record of this man was 5/24/1769 when he witnessed the will of Jonathan Cunningham of Carrs Creek. Jonathan was the son of Hugh Cunningham. Their location as neighbors of Charles Dougherty causes the compiler to list Cornelius as a son of Charles.

1/30/1773-He acquired 175 acres at the head of Roanoke River in Botetourt Co., Va. (P 548 Annals of Southwest Virginia.)

11/10/1773-He deeded the 175 acres in Botetourt Co., acquired 1/30/1773, to his son William Dougherty. The land was described as on "Cedar" Swamp. (P 551 Annals of Southwest Virginia.)

2/24/1779-He deeded 87 acres in Botetourt Co., to William Dougherty. This, too, was on Cedar Swamp. (P 550 Annals of S. W. Virginia.)

(4) WILLIAM DAUGHTERY, born November 1, 1740; died 1803. He was born in Augusta Co., Va. He was later in Rockbridge County, Va., after that county was formed from Augusta. He is listed as a son of Charles, but without definite identification.

He served in the Revolutionary War as follows:-

Oct. 1777-Under Capt. John Pexton, Rockbridge Co., Va.
 Sept. 1779- " " William Taylor, " " "
 " 1781- " " Wm. Moore, " " "

He moved from Rockbridge Co., Va., to Lincoln Co., Ky. In Lincoln Co., he applied for a pension Feb. 11, 1833. (Pension 2 18369). Evidently he moved prior to 1787 for we find that September 10, 1787, a William Daugherty of Lincoln Co., Ky., deeds 100 acres located in Rockbridge County, Va. (Rockbridge Co., Deed Book A, page 697.)

In 1778 he was a tithable in Rockbridge Co., Va., and in 1782 was listed in their tax lists.

The following records are believed to refer to this man:-

12/2/1785-He received a grant of 600 acres in Lincoln Co., Ky., as Assignee of Thomas Daugherty. It was on the forks of Otter Creek. (Virginia Land Office Grant Book X, P. 37.)

8/22/1785-He received a grant of 200 acres in Lincoln Co., Ky., by virtue of a Military Warrant No. 1133. (Virginia Land Office Grant Book X, page 54.)

8/6/1787-He received a grant of 87 acres on Calloway's Creek. The land adjoined Thomas Daugherty. (Virginia Land Office Grant Book 10, page 307, and Land Office Treasury Warrant 11,783.)

He married _____.

They had:-

NOS. 30 to 34 RESERVED.

(3) JAMES DAUGHERTY, born _____; died 1812. He is said to have been born in Ireland and that he died in Mercer Co., Ky.

In D. A. R. Lineage Certificate 133122 he is credited with three years service in the Virginia Navy, and admission was granted on that record. The Compiler is not disputing that this James may have had this three years service, but attention is called to the fact that James Daugherty who died in Northumberland Co., Va., and left a will proved 5/10/1830 was credited with three years service in the Virginia Navy, and his heirs proved their claim to the satisfaction of the Virginia Authorities.

(4) JAMES DAUGHERTY married REBECCA SUMMERS. This would imply he probably was from the Daugherty family which settled in what was then Augusta Co., Va.

They had:-

- 35 - MARGARET DAUGHERTY, born _____; died _____. She married HUGH
MAGIEL 1/1/1795 in Mercer Co., Ky., as "Peggy".

(16) DANIEL DOUGHERTY, born _____; died _____. He was still alive and deeded with his wife Betsy, and other heirs, in Rockbridge Co., Va., October 6, 1806. (Deed Book F. page 85.)

He married ELIZABETH (BETSY) _____.

Reference to land received by him as an heir is found in the printed Augusta Co., Va., records in Volume II, page 130 and Volume III, page 65.

He obtained 200 acres in Grayson Co., Va., on Watson Creek, May 22, 1791. (Virginia Land Office Grant Book 41, page 249 and Land Office Treasury Warrants 3927 and 21,694.)

A Daniel Dougherty had a school at Brownsburg in Rockbridge Co., Va. (Augusta Co., Printed Records Vol. II, page 65.)

He had:-

NOS. 50 to 59 RESERVED.

(17) THOMAS DOUGHERTY, born _____; died _____. He was alive and deeded with his wife MARY, and other heirs in Rockbridge County, Va., October 6, 1806. (Deed Book F, page 85.)

He probably was the Thomas who married Nancy Hinds in Augusta Co., Va., in 1800, as shown in the Augusta Co., Va., Records. (Vol. II, page 122.)

He was listed in 1782 in the Rockbridge Co., Va., tax lists.

He had:-

NOS. 60 to 69 RESERVED.

(18) JOHN DOUGHERTY, born _____; died _____. He married AGNES DAVIDSON in Augusta Co., Va. The license was obtained 7/21/1790; they were married 7/31/1790. (Printed Records of Augusta Co., Va., Vol. III, pages 287 and 362.)

She was named in the will of her father John Davidson, in Augusta Co., Va., together with her daughter MARGARET DOUGHERTY. The will was made 1/13/1798. (Augusta Co., F. B. VIII, page 318.)

He may have been the John Dougherty who married MARY HOLBY, 11/3/1800 in Montgomery Co., Va.

We deduce he was the son of JAMES DOUGHERTY, who died in 1799, because JAMES DOUGHERTY went his security on his marriage bond. (Augusta Records Vol. 3, page 287.)

This John probably was the one who obtained a grant of 150 acres in Rockbridge County, Va., 6/4/1796, with Jacob Myers. The land was on South Mountain. (Virginia Land Office Grant Book 34, P 281 and L. O. T. No. 17625.) In the settlement of James Dougherty's estate it stated that all heirs lived in Rockbridge except Daniel who lived in Wythe. (This was after 1799. (Augusta Printed Record Vol. 3, pages 65 and 93.)

He may have been the John D. who was a witness to the will of William King in Washington Co., Va., 3/3/1806. When the will was probated in 1808 it was shown that John DOHERTY was then in Mississippi Territory. (Augusta Records Vol. III, page 156.)

The Virginia Land Office reports a John Dougherty with Thomas Fulton received a grant of 47½ acres in Augusta Co., Va., 4/11/1798. The land was on Mary's Creek above Wrights Saw Mill. (Grant Book 38, page 149 and L. O. T. No. 19061.)

This acreage may have been wrong, or there may have been another grant to a John Dougherty. In the Augusta County Records, Deed Book 31, page 232, a John Dougherty and wife NANCY of Rockbridge County, Va., April 27, 1801, deed John's half of a patent to 1350 acres. The consideration is given as \$700.00. It is probable John's wife AGNES had died, and that he was the John DOUGHERTY who married NANCY MOODY in Montgomery Co., Va., November 3, 1800.

(1) BERNARD Daugherty, born _____; died _____. He appeared in the Augusta Co., Va., printed records in the case of Beard V. Henderson. It seems he was selected by a group to assist in acquiring lands in North-western Virginia. (Vol. II, page 106) (Also see Vol. IV, page 106.)

9/1/1784-He obtained a grant of 589 acres in YOHOGANIA Co., Va., on the Ohio River. (Virginia Land Office Grant Book "M", page 589, and Preemption Warrant 1913.)

5/18/1797-He obtained two grants of 500 and 107 acres in Ohio County, Va. The 500 acres is Mingo Bottom, and the other on Hestahen's Run adjoining the larger piece. (Virginia Land Office Grant Book 39, page 252, and Preemption Warrant 2462.) This was part of the land involved in a suit. (Augusta Records Vol. III, page 106.)

After his death she married JOHN SCOTT.

FAMILY NO. 17

(1) JACOB DOUGHATY, born _____; died B1745.

He married ANN _____.

From the Augusta Co., Va., printed records it appears that Jacob Dougherty was from BETHLEHEM, N. J. While it is not shown for a certainty that he moved to Virginia, it does appear that he had died and that Ann, his widow, was his executrix, and that she, too, died intestate in Augusta Co., Va., prior to 1746.

Her administrators sued Adam Dickinson of HUNTERDON, (incorrectly shown as Huntington) N. J. The suit was brought September 22, 1746; the bond was dated August 29, 1733. No details are given. (Vol. 1, page 293 Augusta Records). This Adam Dickinson appears several times in Augusta Records.

The New Jersey Calendar of Wills 1730-1750 shows an abstract of the will of JACOB DOUGHTY of Bethlehem Township, Hunterdon Co., N. J. It was made July 2, 1737; proved August 11, 1737. It named his wife as ANN, his son DANIEL, and his daughter DEBORA. His inventory returned in August 1737 was for £ 479 : 8 11. It is believed this is the same family. Jacob seemed to have had brothers ELIAS, JOHN and THOMAS DOUGHTY in New Jersey. It is probable the name was misspelled in the Augusta Records.

FAMILY NO. 18

(1) MICHAEL DAUGHERTY, born B1730; died 1763. He died in Augusta Co., Va., intestate in 1763.

He is believed to be the same man as the Michael O'Docherty who served in the Augusta Co., Va., Militia in 1742 under Colonel James Patton, Captains Wm. Evans and Buchanan. (Virginia Colonial Militia, P. 92)

6/12/1746- He served as a private in Captain Woods Co., of Augusta Co., Va., Militia. (Augusta Co., Records, Vol. I, page 17.)

8/19/1747-He was appointed constable vice Thos. Williams in Augusta Co. (Vol. I, P 30, Augusta Records.)

8/19/1750-He served on a Coroner's inquest on a drowning in the James River, Augusta Co., Va. (Vol. I, page 434).

11/28/1751-He acquired 207 acres in Augusta Co., Va., on Cedar Creek, on Fork of James River. (Deed Book 4, page 24.)

8/20/1752-His property line is referred to in a deed to John Martin in Augusta Co., Va. (Deed Book 4, page 476.)

March 1754-In a suit in Augusta Co., Va., he is referred to as a store-keeper of New Londonderry, Chester County, Pa. He was sued by Wm. Neil or Neale of the same county. The suit was dated 1/3/1737-S when filed in Penna. (Vol. I, page 310 Augusta Co., Va. Record. O. B. 6, page 443).

5/8/1754-He took an inventory of estate of Philip Chittam of Augusta Co., Va. (Vol. III, page 36.)

4/3/1755-He was an appraiser of estate of John Sproui. Augusta Co., Va. (Vol. III, page 39.)

1756-----Bought 170 acres of land from Col. James Patton, in Augusta Co. This is referred to in the settlement of Patton's estate and after the death of Michael. (W. B. 4, P. 383.)

1756-----His land in Augusta Co., was processioned--Vol. II, p. 448.

Sept. 1758-In Augusta Co., Militia. (V Hennings 190)

10/7/1760--His land in Augusta Co., was processioned--Vol. II, p 483.

10/13/1761-He witnessed a deed in Augusta Co. This was in Staunton (Deed Book 10, page 72.)

11/16/1763-His inventory was returned in Augusta Co., Va. Appraisal made by Messrs. CULT N, MEYER, CLIMORE and EDMONDSTON. (Will Book 3, page 304.)

10/7/1767--His property line is mentioned in a deed for land in Fork of James River, Augusta Co., Va. (Deed Book 5, page 546.)

8/17/1769-In settlement of the estate of Col. James Patton, it shows that Patton sold 170 acres to Michael Dougherty. This is shown to have been a "mistake" on the part of Patton. It probably was the same land later acquired by Michael Dougherty, son of this man. (Augusta Records, Vol. III, pages 82 and 110.)

(2) HENRY DAUGHERTY, born _____; died _____. In the History of Rockbridge County, Va., at page 464 he is referred to as the "oldest son of Michael". In view of the fact that three or four Michaels were in that section there is no certainty we have selected the correct one.

He settled in Rockbridge County in 1782. He was reported having left Augusta Co., Va., before 1779. (Augusta Vol. II, page 105.)

He married JANE _____, prior to 8/6/1782 when she deeded with him.

11/20/1766-It was recorded that he was in debt to Thomas Wilson as of November 1764. (Augusta Records I, page 464.)

In 1773-He settled on the Laurel Fork of the Holstein River. He sold to John Nowland. In a suit involving the William Walker heirs it is shown that Henry left Augusta Co., in 1779. His brother John left-1778. His brother Joseph was then living on Reed Creek. Robert Dennison their brother-in-law was a witness. (Augusta Records Vol. 3, pages 105, 106.)

7/6/1773--He was given the administration of the estate of William Dougherty in Fincastle Co., Va. (P 607-Annals of S. W. Va.)

11/2/1773-He was on a bond, Fincastle Co., Va. (P 618-Annals of S. W. Va.)

2/7/1775--Appraised estate of Joseph Cravens with a John Dougherty, probably his brother, Fincastle Co., Va. (P 637 Annals of S. W. Va.)

3/17/1772-On Bond in Washington Co., Va., (P 978 Annals of Southwest Virginia.)

8/18/1778--Appraiser of estate of Robert Gillespy, Washington Co., Va.
(P997--Annals of Southwest Virginia.)

8/19/1781--Mention is made of a survey to include improvements he made
on his land in Laurel Fork, a branch of North Fork of Holstein
River at the foot of Clinch Mountain in Washington Co., Va.
(P 1070 Annals of Southwest Virginia.)

6/2/1782--Given administration of estate of Michael Daugherty in Mont-
gomery Co., Va. (P 777, Annals of S. W. Va.)

8/8/1782--Deeded 93 acres on Reed Creek, Montgomery Co., Va., with his
wife Jane to Michael Daugherty. (P 913 Annals of Southwest
Virginia.) This doubtless was a son of the Michael who died
in 1782.

9/2/1782--Deeded 55 acres on East Side of Reed Creek known as Boiling
Springs Tract, Montgomery Co., Va., to Francis Johnson. (P 923
Annals of S. W. Virginia.)

He is believed to have been the Henry Daugherty who acquired land in
Lincoln Co., Va., (now Kentucky) as follows:-

12/30/1784--Virginia Grant Book "K", page 20--64 acres on North Side
Dick's River. L. O. T. W. 1629.

Henry Daugherty had:-

ACS. 10 to 19 RESERVED.

(3) MICHAEL DAUGHERTY, born _____; died _____ 1782. We identify this
Michael as the one who died in 1782 in Montgomery Co. The fact that Henry
Daugherty was appointed his administrator lends strength to the deduction
that Henry and Michael were brothers.

The following records are believed to refer to this man, though other
Michaels were in that section at the time:-

3/4/1769-He purchased 170 acres on York of James from John Buchanan. This is believed to have been the land his father first acquired from Col. Jas. Patton. (Augusta D. B. 15, page 251.)

3/21/1771-He acquired land in Augusta Co. (Vol. III, page 117.)

5/3/1774-Dried Hemp in Winchester Co., Va. (P622,323 Annals of S. E. Va.)

5/3/1774-Appointed Constable Fincastle Co., Va., (P625-Annals of " " ".)

P/3/1776-Located on "Big Road" " " " (P650 " " " " ".)

MONTGOMERY COUNTY SUCCEEDED FINCASTLE COUNTY--1776

9/2/1977-His location on a road mentioned-Montgomery Co., Va. (P 382 " .)

9/181777-Acquired 148 acres East Side Reed Creek, Montgomery Co., Va.
from Robert Savers. (P 310 Annals of S. W. Va.)

This entry might be accepted as possible proof that Henry was the son of this Michael from fact that Henry later deeded Reed Creek land. He may have been the eldest son of this Michael and haired the land as such.

11/3/1779-Paid for patrolling, Montgomery Co., Va. (P 731 Annals of South-
Western Virginia.)

10/3/1780-Witnessed Will-Augusta Co. (Will Book VI, page 243.)

Re: **Wanted** **RE: [REDACTED]**

He seems to have been an early settler in what was known as the Pastures District of Augusta County. Later this was located in Botetourt, then Rockbridge and finally in Bath County, Va.

In the Annals of Bath County, at page 192, he is said to have been a blacksmith, and that members of his family were in Kentucky in 1796. This was said to have been in the Dickenson settlement along Cow Pasture River, on land known as part of the LEWIS TRACT, and surveyed in 1745.

The first reference to this man thus far located in Augusta Co., is March 18, 1746-7 where he is one of the tithables who worked the road from the lower end of Cow Pastures to Carter's Mill. (Order Book, Page 1763.)

(P 512, Vol. 5, Calendar of State Papers.)

A Robert Daugherty also was in Clark Co., Ky., in 1796, and served in the Kentucky Legislature from there. He probably was the same man who served from Warren Co., Ky., 1800 to 1814.

A Robert Daugherty was in the Jessamine Co., Ky., Census of 1810 with three sons under 10. It is unlikely that either of these Kentucky records covered (2) Robert.

(1) WILLIAM DAUGHERTY, born _____; died _____.

This man is believed to have been the William DOHERTY who received a grant of 85 acres in Powell's Valley in Russell County, Virginia, July 28, 1796. It was on both sides of Pansake Creek. (Virginia Land Office Grant Book 35, Page 451 and L. C. F. W. 14,803.)

There is quite a large record on a William Daugherty of Powell's Valley in the printed Virginia Calendar of State Papers. Without covering all the repetition it will suffice to say that from this correspondence and the records it appears there may have been two William Daughertys-Senior and Junior-both having served in Powell's Valley Virginia.

One served for 2 months, 12 days from Sept. 5, 1792, under Captain Andrew Lewis, the other 3 months, 10 days from September 1, 1792. (Vol. 6, page 686, Calendar of State Papers.)

The older man had not received his pay so Captain Lewis wrote the governor 8/17/1793 about William, Senior, describing him as from Lee County. (Vol. 6, page 487, Calendar of State Papers.)

Then, 8/31/1793, Arthur Campbell wrote the governor and told how he had engaged a young man named William Daugherty to serve in place of a man only lately from Ireland. William was described as an expert rifleman, and that, when engaged, he was on his way from Henry or one of the nearby counties to settle in Powell's Valley. It stated that at the time the letter was written William D. was subaltern officer in the Lee County Militia. (Vol. 6, P 508, Calendar of State Papers.)

May 12, 1794-a John Irons made affidavit stating he was the man for whom William DOHERTY was engaged by Campbell as a substitute. William served under Lieutenant Willoughby. (Vol. 7, P 140, Calendar of State Papers.) His Captain was BOWENS. (Vol. 6, P 589, Calendar of State Papers.)

William Senior and Junior were both referred to as having served in the Washington Co., Militia for Powell's Valley in a report dated 11/23/1793. (Vol. 6, Page 647, Calendar of State Papers.)

In a letter dated 8/27/1793 it refers to "a certain William Daugherty from Guilford Co., N. C., engaged as a substitute in the room of said Irons", and this was in the Powell's Valley tour of Washington Co., Va., Militia. (Vol. 6, page 498, Calendar of State Papers.)

See also Calendar of State Papers Volume 6, pages 497, 587, 623, 624 and 685 all on the same subject.

We treat these men as father and son.

-- 2 --

(2) CHARLES DOUGHERTY, born _____; died _____ 1717. We identify this man from his will in Dorchester County, Md., made 11/11/1717; proved 12/14/1717. In it his name is spelled DAWAUGHT. He devises land to Charles the youngest son of George DAWAUGHT. Also devises to his cousin John DAWAUGHT and his cousin DAWAUGHT. (Note the variation in spelling.)

Apparently this man died unmarried or at least without issue as none is named. (Dorchester Co., W. B., 14, page 565.)

We reserve NOS. 10 to 19.

-- 3 --

(3) GEORGE DAUGHTERY, born _____; died 1728. We identify this man as the George DAUGHTY (DAUGHTY) whose will was made in Dorchester County, Md., March 19, 1728; proved May 17, 1728. The will does not name any son CHARLES, but this may be because of the provision made for him under his uncle (2) CHARLES will.

George Dougherty married ANNY RAWLINGS. The deduction as to his wife's family name is from reference in the will of Anthony Rawlings, Jr., in Dorchester Co., Md., made May 17, 1728; proved August 13, 1728, to his "cousins" MARY and CHARLES DAUGHTY.

We identify this man as the George Dougherty who appeared in Talbot Co., Md., in 1699, and who was named as a "brother" of Am. Purnell, Nov. 10, 1703, and of James Marks in Talbot Co., Md., October 20, 1703. Under this will the name is spelled DOUGHEDA and he was given 100 acres of land.

George DAUGHTY'S will of 1728 names:-

son John to whom he gave 50 acres on Horse Ridge.
" James " " " 100 " " Horse lot.
daughter Jane " " " 30 " " Barn's " .

daughter Herodias to whom he gave 50 acres of Heron's Lot.
 son Absolon " " " the dwelling "Ventura".

(1) WILLIAM DAUGHADAY, born _____; died _____. Most of the information on this family is taken from Volume 1, page 578, VIRKUS Compendium of American Genealogy and Volume 15--2 of The National Cyclopaedia of American Biography.

This reports that WILLIAM DAUGHADAY, presumably a French Sea Captain, settled in Baltimore, Md., about 1670. The statement is made that the name had its origin in France as D'KAUDE, DEAU'DE' and DAUDET, and presumably they fled from France during the persecution of the Huguenots.

This may be a correct deduction, but the Compiler has failed to find one shred of confirmation of it. Contemporary with this family in Baltimore and Maryland were other DAUGHADAYS and DAUGHERTYS clearly of Irish origin.

Teste Tho. Jones C.N.C.

He resided in St. Stephen's Parish of Northumberland Co., Va. Evidently he acquired 400 acres there prior to 1750 for December 24, 1751 he deeds 340 of the 400 acres he had acquired from John Hobson, back to Hobson. (Northumberland Co., Deed Book 2, page 91.) This was recorded 3/9/1752. This land was willed to his son James.

Feb. 20, 1755 he acquired 35 acres from John HUTH LL in St. Stephen's Parish. (S. B. 2, page 226, Recorded 6/11/1753.)

May 15, 1756-He was given power of attorney by Thomas COTTRELL.
(Deed Book 3; pages 308-309--Recorded 6/10/1756).

In Record Book 11, page 44 is recorded a settlement made on TOULSON Dougherty, orphan of James Dougherty. He identify him as a probable son.

The common usage of the names James and John Dougherty in this family makes it practically impossible to segregate the records properly in all cases.

(3) JOHN DAUGHERTY, born B1725; died A1725.

Evidently he was the eldest son as he was named first in the will of his father, and he received the home place as was the custom of that time.

The frequent occurrence of John and James makes it difficult to identify either of these men with accuracy. However, no records were found in Northumberland County, Va., which could be identified as belonging to this John Dougherty.

The Compiler believes it probable that this man left Northumberland County for other parts, and probable is one of the John Dougherty's encountered in other families in this compilation.

He married _____.

We identify this man as the James Dougherty who left a will in Northumberland Co., Va., made 3/27/1836; proved 5/10/1836 (Record Book 26, page 295) The slaves were divided as shown in Record Book 26, pages 427-429.

He served as a midshipman on a protector galley, January 19, 1777. He was later a lieutenant and a Captain 8/27/1778. He continued in service after 9/10/1779.

Apparently he moved to Rutherford Co., Tenn., but returned to Northumberland Co., before his death.
